

Sts. Constantine and Helen Greek Orthodox Cathedral Prayer Garden

Dear Parishioners,

My name is Nikitas Karousos. I am an active member of our community serving as an altar boy and a GOYA member. I am also a Boy Scout. I am working on advancing to the rank of Eagle Scout. My Eagle Scout project is to plan, organize and install a prayer garden for our church. The prayer garden will be comprised of a Proscinitirio (prayer monument), a 15x15 patio and the repurposing of the two, white stone benches currently on site. The prayer garden will be located on the Kingcrest Drive side of the church.

I will be in the Dombalis Hall for coffee hour every Sunday in the month of February to discuss my project. I will have an informational table-top with brochures and a poster of the project.

I respectfully ask for donations for my project. They are greatly appreciated and needed! My goal is to raise \$7500. Please make donations to Sts. Constantine and Helen Greek Orthodox Cathedral and in the memo section state "Prayer Garden." Donations can be given in the following ways: by mail, [online](#) (please choose "other" and reference "Prayer Garden") and also given to me at church during coffee hour.

Thank you so much for your time and consideration. I look forward to seeing you at coffee hour.

Yours in Christ,

Nikitas Karousos
