

Christos Anesti!!

The Cathedral extends its sincerest appreciation for your continued Stewardship contributions. Your support provides for the continuation of our many ministries as we start to come out of the period of COVID restrictions. The pandemic has affected all of us in some measure, including our spiritual experiences as well. Yet, through perseverance, planning, and patience, we have been blessed to have been able to offer in-person attendance at our services for the last 10 months of the pandemic, even if under mandated restrictions. Our Clergy, Staff, and volunteers have made every effort to maintain our ability to worship while keeping everyone safe. Your stewardship gifts have allowed this community to continue to function in a manner many others have not been able to. For this, we are most appreciative that you have continued to keep our Cathedral in the forefront of your giving priorities and we Thank You for your dedication as a Steward.
